

Planning Analysis Sheet

Website Goal

This website will be a fan page for Chelsea FC. It will pay homage to the past and present of the football club by detailing and summarising the current squad, the stats, the season, and the Legends of the past who have brought success to the club.

Working Titles

Home page

This page will be the introduction to the website with details on its purpose, navigation, brief overview, etc.

Current Squad

This page will look at the current squad, its form in the current season, opinions and stats, etc.

Season

This page will look at the ups and downs of the season and display the results in a table.

Legends

This page will look back at the best players to have played for Chelsea and detail what made them so good. It will include videos on the players best moments.

List of sources

Stats and figures will be drawn from sports websites such as Sky Sports, Premier League, and Chelsea FC. Videos will be incorporated from YouTube.
